

Meet the Neighbours

DownsSTEAM

tourist railway & museum

Join us on our inaugural trip to visit our neighbouring heritage railway at Drayton, Toowoomba.

We begin the day with a traditional out-back welcome and morning tea at Clifton Railway Station, provided by the local volunteers from Clifton Progress Assoc.

We have time for a quick walk to explore one of our local towns full of character and nostalgia.

At midday we pull into the yard at Downs Steam to enjoy a two course lunch at their colourful platform, dining car and museum. This visit coincides with an Open Day, so expect to see one or two locomotives in steam and plenty of other photo opportunities.

Snacks and a range of beverages, including wine and spirits, are available on the train in our newly refurbished Café car.
